**OUTER BURIAL CONTAINER PRICE LIST**

The following prices are effective November 1, 2022 and are subject to change without prior notice.

**PURCHASE DISCLOSURE**

In most areas of the country or state, local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not collapse causing the ground and monuments to sink or shift. Either a grave box or a burial vault will satisfy these requirements.

*Prairie Lawn Cemetery, Sumner Memorial Gardens and most other cemeteries in Sumner County require, at minimum, the use of one of the following outer burial containers.*
